**Call for Book Chapter**

**Scope-** The book "Modern English Evolution: From Shakespeare to Social Media" delves at the rapid evolution of the English language from the Elizabethan period to the digital age. It examine how the works of Shakespeare and other literary giants shaped early modern English, laying the groundwork for the language's ongoing evolution. The book dives at important linguistic shifts, including colonialism's influence, the rise of print and mass media, and the impact of global cultures. It also examines current influences such as the internet, texting, and social media, demonstrating how technology and modern communication platforms are speeding up linguistic development. This thorough examination provides insights into how English has changed, continues to adapt, and reflects the social, cultural, and technological developments of each century.

**Submissions are accepted in the following areas, but not limited to:**

- i. The Foundations of Modern English
- ii. The Impact of Shakespeare and Early Modern Writers
- iii. The Great Vowel Shift and Linguistic Changes
